Eagle is a public charter school sponsored by the Oregon Department of Education and serving students in grades K-5. Our focus is MicroSociety-based curriculum. We have a maximum enrollment of 144 students with class sizes of 24 students. In addition to our MicroSociety classes, we offer a hot lunch program, SKEF Enrichment Academy (before/after school care), and a variety of student clubs throughout the year.

Our mission statement: Eagle Charter School is a miniature replica of the global society, bringing real-life experiences into the classroom. Hands-on activities, student-initiated ventures, and traditional coursework combine to encourage student investment in the learning process, engage diverse needs, and ensure high academic standards.
